

ACADEMIC CITY
UNIVERSITY

THE LAUNCHPAD

Preparing High School Students for a
Successful Higher Education Journey

Be Empowered!

Life Skills & Personal Development:

Build confidence through self-awareness, leadership, communication, ethics, and self-growth.

Innovation & Entrepreneurship:

Acquire the acumen for problem solving, commercialisation, critical thinking, and community-driven innovation.

Technology & Future Readiness:

Gain tech-savvy, research, digital tools, and transformation skills for the future of work and life!

Soft Skills & Hands-on Projects:

Focus on career planning, soft skills development, multiple projects, and showcasing your journey at completion.
